NZFC Doubles Fencing Competition at SIAFD

Thursday 30th March 2017

Note: all Goldpine posts & strainers pre driven due to ground not suitable for borers.

- A judges/ demo fence will be erected and discussed at the judges briefing.
- The Judges briefing is a time to ask questions. Questions cannot be asked once competition has started.

DESCRIPTION:

Competitors must erect a 41 metre fence line consisting of a single fence with two product types

1. **At one end 23 metres Goldpine roundwood product**, consisting of 5 wires- top, third and bottom to be electric, tensioned to 100 kg
2nd and 4th wire down non electric tensioned to 150 kgs
1 x box assembly (strainers predriven)
At changeover point (approx 25 metre mark- midway between last Goldpine Superpost and first Waratah Joi Star) end insulator on top, third and bottom wire.
Insulators at this changeover point need to be vertical
2. **Other end Waratah product consisting of 18 metres (Waratah product will be installed by competitors)**
5 wires non electric onto Joi Star® standard Waratah posts with wires connected through Jio Clips®
1 x end assembly using Warath Ezi Pipe system
3. Hang 1 x 3.66 m pipe gate + latch to latch post (hand dig latch post)
4. Independent Strainrite irrigator crossing

OVERALL HEIGHTS & SPACINGS OF DRIVEN POSTS:

Box Stayed Strainer	-	1175mm
Posts	-	1175 mm
Post Spacings netting	-	5 metres
Post Spacings irrigator crossing	-	10 metres

WARATAH PRODUCT

- Competitors need to install.

- Competitors will need a standard Waratah or Y post driver and a cordless drill, 8 inch crescent
- Waratah will provide a Driver for the Ezi pipe end assembly and a Drill bit.
- Note – The Ezi Pipe end assemblies will not be pinned.

- 10 5mm crimp sleeves for securing Bayco cable each side of polypipes and attaching to peg staple.

Springs pre-loaded to 2mm gap between windings.

RULES:

1. Competitors must supply their own tools unless stated.
2. Competitors must not infringe on other lines.
3. Safety footwear must be worn.
4. No drop starting of chainsaws and only trained competent operators to use.
5. Chainsaw chaps and safety glasses must be worn while chain sawing.
6. Eye protection/safety glasses to be used during ALL wire work.
7. Ear protection while using motorised equipment.
8. No material will be prepared before competition.
9. Only supplied materials can be used on fence line
10. 21m.m bit for Lock Thru Gudgeon.
11. Posts are pre driven and competitors are to check the post height prior to competition start
12. time point penalty – 1 per minute after first team has finished and called time

Judging includes safety penalties for unsafe practices. If the practice is observed beyond a one off occurrence a verbal warning and correction advice to the competitor will be issued by the judges and full safety penalties will be awarded on doing so.

There will be Judges demo fence erected which you can use pre competition for reference.

GENERAL:

- A barbeque will be held for competitors while judging is taking place
- You can talk through your lines with the Judges after judging
- We have organized well known rural sports commentator Craig Wiggins as our MC, we have a PA system, **please ensure you fill out your info forms** page 6 and have them returned so Craig can say nice things about you and promote your business.
